Join us for the Third Annual Trinity Nativity Walk! The Membership Committee is planning the Nativity Walk to take place after worship on **Sunday, December 16th**. Bring in your favorite crèche before the service that morning and set it up in the designated location in Fellowship Hall. During Coffee Hour, members of the congregation will walk around to view the various nativity scenes. Whether it's a clothes pin-crèche made by your children at Church School or a family heirloom handed down through the generations, if you'd like to share it for the morning, we'd love to see it! You'll take your crèche home with you that day! If you're interested in participating, please sign up during coffee hour on: **December 2 or December 9!**

## Alternative Gift Market

Are you looking for a meaningful Christmas gift for a friend, teacher or relative who seems to have everything? The Mission and Outreach Committee's annual Alternative Gift Market begins this month. Visit our table, **beginning Sunday, December 2**. We have many mission programs to choose from including our Senior High Mission trip, Presbyterian Disaster Assistance, bed nets for children in the tropics, and medicines for the world's poorest. **For as little as \$5** you can make a difference this Christmas. ## Christmas Eve Social

Don't miss our annual Christmas Eve Social, held in **Fellowship Hall at the close of the 7:00pm candlelight communion service**. See you there!

# Church School

Just a reminder that we will be collecting hats, mittens, and scarfs for those that need a little warmth this winter. There are trees located in Witherspoon building, in the Fellowship Hall, and in the Nursey School Hallway. We will be collecting until December 23.

We would also like to thank all those that participated in the Children's Communion Class. The children had a great time with Pastor Sarah and they made "real" grape juice by smashing grapes and then tasting the juice. Thank You Pastor Sarah for a wonderful program.

Since we are having more babies in the Nursery, which is wonderful, there is a need for some extra helpers. # Trinity's Annual Stewardship Campaign

## Stepping Out in Faith

Trinity's Stewardship Campaign continues. The theme of this year's Stewardship Campaign is "Stepping Out in Faith". This theme was selected to reflect the actions needed by all of us to fully enable all the ministries and mission that we have been called to provide as a church. Recently, our church budget was adjusted to allow for proper maintenance of our facilities, adequate compensation of the church's pastoral and office staff and increased support of mission. During the Campaign, Trinity's quality staff and programs, expanded mission, facility needs and previous faith-based giving has been emphasized in presentations to reinforce our future resource needs.

All Church members should have received your stewardship letter and 2019 pledge card in the mail. If you have submitted your pledge, thank you! If you have not returned your pledge card, please mail the card to the church. You may also put your pledge on your EasyTithe account online. A return of your pledge by December 9 is required to help us develop our 2019 budget. We hope that you carefully consider these needs of your church as we heed Christ's call to **step out in faith** so our ministry might impact more lives. Thank you for your generous financial support as we undertake this journey of faith.

## Stewardship Talk Week 3 Presented by Steve Talbott on 11.04.2018

You heard John Young kick off the annual Stewardship campaign two weeks ago with this year's theme...."Stepping out in Faith." This campaign emphasizes the Session's action earlier this year to make a commitment to take care of three distinct areas within our annual budget: our people (staff) which you heard Nancy Valente speak about last Sunday, our house (facilities), and our global community (mission). Three core areas that were lacking the proper financial support that they need and deserve. The Session felt strongly that it was the "right thing" to do for us to "step out in faith" in support of these areas.

I'm here today to talk to you from a couple of different perspectives. First, as a choir member... (since today just happens to be Music Appreciation Sunday), but also as the Session Chair of the Worship and Music Committee.

I grew up singing in the church choir in my home state of West "by God" Virginia. I moved to NJ when Deb and I were married here at Trinity 32 years ago. After joining Trinity, I knew right away that I wanted to join the Choir. I was admittedly "terrified" when I found out I had to actually "audition" for the choir. Music Director Nancy Evans had me sit and read the tenor line as she paged through the old red hymnal looking for what seemed at the time like the most obscure hymns she could find. Somehow I survived that experience and I'm still singing today!

Well we've come a long way since then and I can assure you that if you have any interest at all in joining the Adult Choir (which I would encourage you to do by the way) that Lisa's agenda is certainly not to terrify you. Lisa, Brian and the entire choir will welcome you and make you feel right at home.

In my 30+ years in the choir, I've sung for 7 different music directors, each with their own unique personality and style. Having experienced all of that, I can tell you that what we have here today at Trinity with Lisa and Brian leading our music program is truly unique and very special! My sense is that you see and hear that each and every Sunday because I consistently hear more compliments of the music program today than I ever have. With the variety of music throughout the year along with the strength of our pastors complementing our worship experience each Sunday, I can honestly say that I have never felt as strongly about the total worship experience here at Trinity as I do right now. I personally have never enjoyed singing in the choir more than under Lisa's direction.

We can't take for granted how blessed we really are. It's the right thing to do to support the staff that is working so hard to create an amazing worship experience for all of us each week.

The second perspective comes from my experience as the Building Committee Chair for the Trinity 2000 Project. For those of you not familiar with Trinity 2000, this was the major initiative to raise funds and upgrade our Church's aging facilities. This project involved completing a \$2.5 million addition to our church with the construction of essentially everything except Witherspoon Center, the sanctuary itself and the classrooms below the sanctuary. It also enabled us to make our facilities ADA compliant to allow complete wheelchair access to virtually any part of the building.

It wasn't an easy sell to the congregation almost 20 years ago to get the project off the ground. There was a lot of skepticism amongst the congregation and many felt that there was no way that we could afford to take on a project of this magnitude. Understand that we were mortgage free at the time and many were scared to have the church assume debt of any kind. Many felt that we couldn't financially survive going into debt. Others felt that the existing facilities, although dated and lacking handicap accessibility were "just fine" as they were. Believe me, it took a lot of time, effort, planning and to be honest, a lot of convincing of members of the congregation to have them...essentially... "step out in faith" in order to support the project. After many months, we finally felt like we had turned the corner, and we were on our way to planning the details of what the project would be. Our initial concepts were modest, echoing the support that we were hearing from the congregation.

I recently shared a story at the Session meeting the night where the Elders voted to "step out in faith" to support the three areas of budget increase. So, I'm going to share it with you as well this morning. I was cleaning out a closet at home this summer shortly before that Session meeting and happened to come across this yellowed roll of plans. Maybe it was God's intervention to point me to the plans that day. It turns out that they're the early schematic plans and renderings of what we envisioned the project was going to be. It represented a much smaller, scaled back addition to the Church, with a more modest façade, a smaller fellowship hall, and smaller community room. There was no Atrium or Columbarium; a smaller kitchen and choir room and much less storage overall. The church office and Care & Share shop was to remain in the old Westminster House, a separate residential building that housed the church office on the upper two floors and Care & Share in a cramped basement space. The initial thought was that replacement of that building would become a potential 2<sup>nd</sup> phase to the project that would be built at some point in the future.

Finding those plans reminded me of how the project evolved. We were all set to move forward with the final design drawings when I received a phone call one evening from Rev. Jim O'Dell. He called to tell me that he woke up in the middle of the night with what he described as an "epiphany" regarding the project. He felt very strongly that we needed to take in his words, a "leap of faith" and do the full, expanded project now. He felt that if the project were divided into two phases, the 2<sup>nd</sup> phase would never be built. As a result of Jim O'Dell's Epiphany that day, the project ultimately grew by about \$1 million.

Fast forward to today, the mortgage debt for the project that concerned so many members of the congregation has been paid off. We are mortgage free. In fact, Trinity has now been mortgage free for 5 years. The Trinity 2000 project held it's dedication almost 18 years ago and it has served our congregation very well ever since. Our facilities have never been utilized as much as they are right now. Just what the Trinity 2000 Committee hoped and envisioned would happen. Thank goodness Rev. O'Dell had the epiphany that day!

The reality, though, is that our facilities are aging now and it's time for us to focus our attention on properly maintaining our "house." The list of projects that need to be completed now and in the near future is too lengthy to mention this morning. But suffice it to say, to properly maintain our property and buildings, it is going to take a consistent investment of capital each year.

18 years ago, we were able to accomplish what was thought by many to be impossible but this congregation ultimately "stepped out in faith" and we are benefitting from it every day with facilities that serve us very well.

Your Session of Elders have "stepped out in faith" as leaders of this congregation to do the right thing for the future support of mission, our staff and our facilities. We now turn to you to help support and sustain that initiative and to, once again, "step out in faith" in your own way on Stewardship Sunday.

## Library Corner

The Trinity Library has two new books about Christmas—one for children and one for adults.

**Home by another Way  
A Christmas Story**  
By Barbara Brown Taylor

Intended for children aged 8 to 10, this beautifully illustrated book follows the three wise men on their world-changing journey to Bethlehem. Guided both spiritually and geographically by the power of one very special star, they encounter King Herod, Joseph, Mary and the baby Jesus. Young readers discover why they had to “return home by another way.”

Our library also has a notable collection of Christmas books for children of all ages. Some are famous old standards; others are new within the last few years. These will be displayed throughout the library.

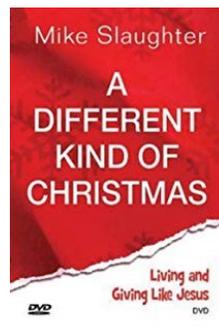

### **Skipping Christmas**

By John Grisham

The author is known for his page-turning legal thrillers. In *Skipping Christmas*, John Grisham departs drastically from his usual genre and offers a

hilarious commentary on the chaos and frenzy that have become part of Christmas tradition in America. When their only child is unable to come home for Christmas, Luther and Nora Krank decide to skip Christmas and use the money they would have spent to take a Caribbean cruise. Hilarity ensues when they face the consequences of this change: neighbors who are angry that they aren't decorating their house and lawn; friends who are disappointed that there will be no annual Christmas bash at the Krank's house; even boy scouts who expected them to buy a tree. Even more hilarity ensues when their daughter decides to come home after all and expects to have their Christmas traditions in place.

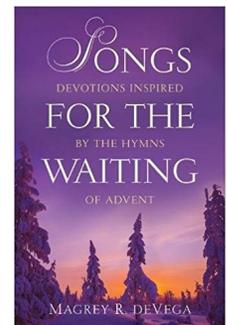

Of course, our library also features serious, spiritual books about the Advent season:

**A Different Kind of Christmas  
Devotions for the Season**  
By Mike Slaughter

This book is designed to draw the entire family into a closer relationship with God by reading together. It consists of 30 short readings drawn from scripture and stories about helping others at Christmas.

**Songs for the Waiting  
Devotions Inspired by the  
Hymns of Advent**  
By Margery R. DeVega

Even though there are many beautiful Advent songs in our hymnal, sometimes we wish we could skip right to singing our favorite Christmas carols. Using the lyrics of moving Advent hymns, *Songs for the Waiting* is designed to instill a sense of the beautiful anticipation and preparation that is central to the Christmas season.

The book contains a devotion for each day of Advent that is based on a verse from one of the hymns.

**If you would like us to purchase a particular book for the Trinity Library, stop by on Sunday or contact Dottie Dunfee ([dunfeet@aol.com](mailto:dunfeet@aol.com)).**
